

El Dibujo de mis Abrazos (The Picture of my Hugs) Synopsis

It is a Flamenco show based on the concept of representing movement on the stage in the form of a living painting in which an instantaneous drawing appears made in the air.

The live dance, song and musical show is accompanied by a narration and slideshow which provide a poetic means for immersing spectators into the spirit of the various Flamenco 'palos' (styles).

"El Dibujo de mis Abrazos" is meant to be a celebration of the joy of dancing, the joy of music and singing, arising from a sea of feelings.
